*"The case, rife with
extraordinary irregularities,
attracted the sustained
involvement of the Arizona
Justice Project... With more
twists and turns than a
Hollywood movie,
Macumber's story illuminates
startling, upsetting truths
about our justice system,
which kept a possibly
innocent man locked up for
almost forty years, and
introduces readers to the
generations of dedicated
lawyers who never stopped
working on his behalf,
lawyers who ultimately
achieved stunning results.
With precise journalistic
detail, intimate access and
masterly storytelling, Barry
Siegel will change your
understanding of American
jurisprudence, police
procedure, and what
constitutes justice in our
country today." ~Henry
